## PROLOGUE

English teachers tell us that there are no new plots for contemporary writers to work with. They say that the early Greeks encountered all of the questions, doubts, problems faced by our generation; they speak to us of the humanities, universal appeal, and bridging spaces of time with the simplest of human actions. Times change. Science cuts forever deeper into the frontiers of infinity. Political events take their turbulent course. Societies and economies shift in emphasis and expression. But one thing, the human mind, its psychology, action, genius, and shortcomings, retains a set of universal constants. Curiosity, honor, fear, hate, and love, the essentials of life, remain unmoved by time.

Yet to stop here is to discredit the efforts and experiences of our lives, to negate all intelligent reasons for our existence. There is no inspiring thought to be found in the knowledge that our lives repeat, for the billionth time, those lives of persons before us. Birth, life, and death are not identifying characteristics. Indeed, we are living the lives of our neighbors.

But this cannot be, and is not, the reality of our lives. Each of us follows his own, personal adventure, a renaissance mariner on his own sea of intellectual discovery and physical delights. Although the world around us dates to unrecorded antiquity, it is totally new for us who inhabit it now. Our lives have not been lived *us* before.

This combination of worldly resources and individual power and desire does not challenge us to conquer it. Rather, it invites us to explore, to develop it, to develop within it. We are invited to exercise ourselves as individuals, to build, to create.

*To Create.* These imperfect words come closest to defining the theme of life and capturing its essence. They require of every person a sense of responsibility, an awareness and involvement with the world around him, and an interplay of thoughts and emotions with other people. They make a small portion of the universe a reflection of the human life that has filled it. However insignificant it may seem to others, this is each man's legacy, his moment in the sun. To have created and shaped in an original, unique manner is the most noble achievement of mankind.

# *Administration and Faculty*

Dusty shafts of courtyard sunlight  
Pose a pencil shadowed question;  
A poised to answer pencil stops  
To weave an abstract pattern darkly  
Against the blackboard wall, and falls:  
A pendent gesture rendered pointless.

The balance shattered, the thought diffused,  
Dimly drowned in blunted floodlight,  
An empty hand raises a doubtful silhouette,  
Focused in the catechismal eye: the teacher.

# Administrators Guide and Advise

Mr. Stephen Poleshuk  
*Principal*

In the early part of the 1966-67 school year, Mr. Stephen Poleshuk, our principal, welcomed the Middle Atlantic States Evaluation Committee to Oceanside High School. The committee members spent several days visiting classes and interviewing a variety of students. Mr. Poleshuk later received a letter commending the students of OHS on the atmosphere in the school. We feel that such a commendation came as a result of Mr. Poleshuk's confidence in the student body. The elimination of faculty patrol in the halls, cafeteria, and parking lot gave the students added responsibility. Class unity was encouraged by designating first, second, and third periods as sophomore, junior, and senior directed study periods, respectively. Privileges such as these, approved by our principal, have helped promote student-faculty relationships and school spirit.

D. Silber

I stand at the hub of promise,  
Curving beaches of new,  
A geometry of my life and all  
Stretching in self-sustaining non-existent  
Triangles of past and present and forever,  
Surrounding, taking from me and adding their measure.  
The myriad swirls around me; I tumble from Maelstrom's  
door,  
Awash, bleached on a barren shore.

The tattered rags of my ignorance  
Are all I have of past to future.

Yet, within me a strange awakening:  
Queer, unknown, evanescent, stronger, returning.  
A nascent circle of heat intense burns within me,  
Catching my thought, reversing my metabole.

I cry at the pain; my cry  
Wracks the dark silence.

Around me the masque of feigned death falls.  
In the end of a world  
Being watches in tense expectation,  
Waiting to hear my voice.  
The light is within me,  
In the creation of me it heaves, throws itself.  
From the cellar of the blind, a life is torn,  
Waking from my mind-sleep, I am born.

## "Kept the G.O. Moving"

*Pete represents the G.O. at the fall sports banquet.*

The GENERAL ORGANIZATION, inspired by the officers' campaign pledge to "get the G.O. moving", operated on a busy schedule and instituted many new activities. Through the efforts of all those involved, the G.O. became an effective representative, both in school and community affairs, of the student body.

There were many notable accomplishments. The community discount program was reorganized, and the number of stores participating was tripled. The First Annual Alumni Homecoming was arranged and attended by over 250 people. Service projects were started to help the sick and elderly. Finally, the structure of the G.O. itself was modified. For the first time, a Student Cabinet of approximately 100 appointees was developed to assist the officers.

The G.O. offered a full schedule of social events at O.H.S. The Kick-Off Dance was the largest in the school's history, with the proceeds donated to the Oceanside Scholarship Fund. Additional monies were won at the Tri-School Scholarship Bowl. The "Good Guy Dance" was the most spectacular gathering of the season, attracting over 1100 students.

In all, the G.O. did get moving and offered O.H.S. students a widely diverse and worthwhile co-curricular program. This success was the result of the efforts of the officers and their aids and the unceasing work and enthusiasm of Mr. Robert Sodemann, G.O. advisor.

Pete Bernbaum, *Associate Editor*; Liz Ernest and Paul Levine, *Co-Editors-in-Chief*.

This year's *SIDER PRESS* reflected the efforts of the editors and staff to breathe a new vitality into our school newspaper. Under the guidance of Miss M. Jacqueline Baker, publication was increased from ten to twelve issues, making each issue a more timely and meaningful one. The year was marked by innovations; "Riptide" provided a forum for student debate; *Sider Impressions* added a literary dimension; *Super Sailors* recognized student achievements. The editors and staff maintained the *Sider Press* tradition of good journalism, managing to cover everything from club news to nearly everyone's math books.

# "Spindrift" Captured the

Marci Seville, *Editor-in-Chief*; Lynne Roth, *Associate Editor*, and Jeanne Most, *Editor-in-Chief*.

The SPINDRIFT is one of the trio of Sailor publications that has met with almost universal acclaim. It is an effort to capture in words and pictures the excitement, the vibrancy, the spirit that is Oceanside High School.

From a jungle of pictures, disconnected paragraphs, and words, the editors tried to find, establish, and mold a single unifying theme that touched, if for only a fleeting moment, the essence of each activity that contributed to the school's life. The social high-lights were captured as well as the co-

curricular activities that provided a foundation of involvement and action in a hurried world. The consolidations of these fragments, hopefully, became a yearbook that could recapture again and again the feeling of a high school career.

A yearbook, by definition, must be representative, of the efforts of an entire school: administration, faculty, and student body. But special thanks must be given to Mr. Thomas Barden, Spindrift advisor.

The JUNIOR ENGINEERING TECHNICAL SOCIETY (JETS) had been precisely what its name implies: a society for the furthering of studies in engineering and technology. This year, under the direction of Mr. Morton Horowitz, the club's scope was expanded to include all fields of science and mathematics.

Members engaged in many projects. A computer course was offered at Farmingdale and Brooklyn Polytechnic Institute. Members entered the Westinghouse scholarship competition and also exhibited their research projects at the Annual Convention in May.

The RADIO CLUB completed its third and most successful year. Membership was almost doubled as several new members joined those returning. Under the direction of Mrs. Stine Schaffmeyer, the members obtained their amateur radio operator licenses. In addition, the club planned several projects and field trips.

An international organization, the AMERICAN FIELD SERVICE, endeavors to promote brotherhood and understanding through its foreign exchange program. This year Eva Nordstrom's stay in Oceanside was sponsored by the AFS. Eva, whose homeland is Sweden, has been living with Sara Jane Moliver and her family. This past summer Paul Levine lived for two months in the home of a Spanish professor, also as a representative of the AFS. Paul, editor of the Sider Press and President of the Key Club, lived in Madrid, Spain, and a small rural village outside of Madrid. Under Mr. Pearsall's supervision the club raised money through a magazine drive. The profits will go toward next year's foreign exchange program.

## Our Swedish Friend

Dear Sailors,

I know that you'll never be able to understand how much this year had meant to me. Ever since I was a little Swede, I used to dream about America, and I told myself that some day, in some way, I would go there myself. Everything I could find that was connected with the United States fascinated me. So when I heard about American Field Service, I saw the opportunity of my life. The idea of living an American life — living in an all-American family — going to an American high school, and at the same time furthering the goals of AFS, seemed so unreachable to me that I hardly thought my dreams would be realized. However, I was given the privilege of being picked representative for Sweden in Oceanside. AFS could not have put me in a better place. My family and I were perfectly matched — of course we had our small arguments, but that only made me feel more at home.

I was very fond of our school, and it occurred to me that I looked forward to every day. I had always considered school something that existed, but that could not be enjoyed. However, here you fellow students and teachers made it so enjoyable that I just didn't want to miss it.

The fact that you accepted me almost immediately will always be something pleasant. Your hospitality and generosity were definitely incomparable. Many of you didn't even know me and still you all contributed to my fascinating experiences — directly or indirectly.

Of course I realize I may never be able to do the same for you. However, the very least I can do is to invite you to visit my Swedish home. So, whenever you happen to pass Skovde Vastergotland, you're welcome to drop in and say hello.

# GIRLS' SPORTS

*Leader Corps members serve at the Fall Sports Banquet.*

The GIRLS' LEADER CORPS, under the direction of Miss M. Fokken and Miss G. Burkle has been helpful and active this year. The Corps supplied valuable assistance to the Physical Education Dept. by taking

attendance, leading exercises, and helping the students in various skills. The Corps served as usherettes at school functions, and guided bewildered parents on "Back to School Night". The girls also served as waitresses at the tri-annual sports banquets.

# Blue Pays Tribute to Walt Disney

BLUE TEAM brought back childhood memories when they paid tribute to one of the greatest men of our time, Walt Disney. The captains portrayed the famous cartoon characters Mickey and Minnie Mouse, and Donald and Daisy Duck. The girls entered from a model of the castle on Walt Disney's Wonderful World of Color, and Dumbo the Flying Elephant made a surprise appearance. In competition and songs the Blue Team brought to life Snow White and the Seven Dwarfs, Pinocchio and Jiminy Cricket, and Mary Poppins. The BLUE TEAM'S timeliness and excellent preparation helped make SPORT-NITE a memorable evening.

# White in Never-Never Land

WHITE TEAM took the audience on a wonderful trip to Never-Never Land, escorted by Peter Pan, Captain Hook, Wendy, and Tinkerbell. It was a very enjoyable visit, highlighted by a view of mermaids in a lagoon, an Indian dance, and an enchanted forest. A real Indian teepee provided the setting for all the loveable characters in the land where children never grow old. The ticking crocodile of Never-Never Land crawled in during the evening, but behaved himself very well. WHITE TEAM'S songs, rousing Pirate's cheers, and athletic routines were entertaining and well-done. The audience thoroughly enjoyed its journey to Never-Never Land with WHITE.

Coach Art Wright's 1966 SOCCER Team won its fifth consecutive Division I title and, in post-season playoffs, became South Shore and Co-County Champions.

The Sailors opened the season with a non-league loss to rival South Side. The team went on to cop the division crown with only one loss, and the tenacious defense allowed but two goals in regular season play. Oceanside then played two frustrating ties with Seaford before finally defeating them and advancing to the semi-finals against South Side. There the team came from behind for a revenge victory, 2 - 1, and earned the distinction of South Shore Champions. Coach Wright's squad then tied an undefeated and highly touted Glen Cove team in the Nassau County finals.

The offensive attack was led by All-Scholastic Frank Eovino (8 goals, 2 assists), senior captain Russ Croce (3 goals, 6 assists), junior Angelo Termini (5 goals, 3 assists), and talented sophomores Chris Collins (3 goals, 6 assists) and Gary Statham (5 goals, 1 assist). The Sailor halfbacks, with All-Scholastic Dan Alexander, seniors Barry Gaines and Daryl Kaplan, and junior Mitch Stein leading the way, supported the team with their speed and endurance. The defense was the key to the championship drive, allowing only six goals in 17 games. Captain Walter Hock and steady junior Rich Jagemann worked well together as fullbacks while All-Scholastic goalie Gary Happ set a school record with 11 shutouts.

**J.V. SOCCER** — *First Row:* R. Haff, S. Spitz, F. Soto, J. Capone, B. Kerland (Co-Capt.), B. Happ (Co-Capt.), R. Petracca, H. Levine, J. Elephante, S. Christiansen, T. Brodsky, A. Wieden. *Second Row:* R. Lampell, D. Sloop, R. Levine, S. Jacobs, S. Backus, S. Borowski,

1966 was a disappointing year for the Sailor FOOTBALL Team. Playing in the rugged Division I league under the fine coaching of Mr. Kessenich and Mr. Plaia, the gridders battled their way to a 3 - 5 record.

The Sailors opened the season with three impressive wins in four games, with the lone loss to Massapequa, defending Rutgers Cup champions. However, the team suffered two disheartening, last-minute losses to Mephram and highly-rated East Meadow in their next games, which marred the season.

Individually, many of the Sailors turned in distinguished performances. Captain Dave Dennis was a fine leader both on the field as a quarterback and off the field. Mike DeLibero was the outstanding back, and he turned in many brilliant runs as did powerful Tom Dapolito. Junior Steve Stewart was the Most Improved player, and he was an All-Scholastic choice. Jay MacDermott was chosen as the outstanding overall player, and, for his sparkling play on defense, was also selected for the All-Scholastic squad. Tackle Mike Hauser turned in some fine games as the outstanding lineman.

# Sailor Squad Reached County Finals

BOYS' TENNIS TEAM — W. Steinroeder, K. Fishman, R. Greenberg, B. Finestone, S. Morrison, L. Levinson, J. Aronauer, M. Levine, Mr. Thomassian.

With all of last year's successful squad returning, Coach Thomassian had high expectations for the 1966 Oceanside TENNIS Team. He was hardly disappointed as the Sailors mercilessly ripped through their league, and in the process smashed East Meadow's winning streak of over 30 matches. Led by Ken Fishman at first singles and Outstanding Player Sam Morrison, who was undefeated as a sophomore this year, the netmen were undefeated in league play and impressively shut out 7 opponents.

The Sailors really emerged as a major tennis power in the County Playoffs. After winning two strong victories over Valley Stream South and Lawrence, they faced tough Hewlett in the semi-finals. The team staged an upset with a valiant effort to become South Shore Champions, and lost only to perennially powerful Great Neck North in the County Finals.

The tennis team was rounded out by seniors Sandy Aronauer, Marv Levine, and Larry Levinson, junior Bruce Finestone, sophomore Bob Eichenbaum, and freshman Rich Greenberg.

# Steady Performances Produced Successful Season

**VARSITY CROSS COUNTRY** — *First Row:* H. Stauber, J. Curreri, R. Horowitz (Capt.), M. Sack, J. Herbst, F. Taubman (Mgr.). *Second Row:* Mr. Hay, B. Hazelton, P. Milano, S. Britt, V. Bain, L. Schneider (Mgr.), J. Ascher (Mgr.).

The Oceanside CROSS COUNTRY team, under Coach Hay, had a very successful year in 1966, both in league competition and in post-season invitational and championship meets. In Division I meets, the Sailors posted an impressive 9 - 3 won-lost record and placed fourth in this highly competitive league.

The harriers placed second in the Bethpage Invitational Meet, thus defeating Freeport and Massapequa who had beaten the Sailors in official league meets earlier. Also finishing behind our team were the eventual County Champions; thus, the Sailors' performance was quite a gratifying one.

Vinnie Bain, Mike Sack, and Rich Horowitz were the outstanding runners this season. Captain Horowitz was a hard-working team leader, and he and Sack were the two steady performers who sparkled even in the wake of Most Outstanding Runner Vinnie Bain's tremendous performances. Bain was the leading scorer in every Sailor meet this year, finishing first twice over large fields of runners. His best performance was in the Nassau County Meet, where a time of 12:21 placed him third in the entire county and led the Sailors to a fifth place finish. Bryan Hazelton, Most Improved, was also a steady performer.

With only Captain Horowitz graduating, the harriers should look forward to an even better team performance this fall.

**J.V. CROSS COUNTRY** — *First Row:* A. Kalastein, A. Schwartz, T. Burke, R. Johnson. *Second Row:* P. Gromet, T. Yetter, M. Marcus, J. Chernock.

# Sailor Gymnasts Copped South Shore Crown

GYMNASTICS — *Bottom Row:* R. Moonan, M. Friedman, R. Feldman, D. Barnett, N. Holly, J. Trapani, R. Montano, R. Tanner, B. Setloff, K. Vogel, R. Wyman. *Second Row:* Coach Vercruysse, B. Hoffman, B. Barnett, R. Combs, C. Goodwin, B. Barbour, L. Brotzen, P. Werbel, T. Rotwein, D. Lowitz, J. Semel, M. Rothen-

The 1966 Oceanside GYMNASTIC TEAM's season was certainly a satisfying one for Coach Vercruysse. The Sailors proved themselves to be the top team on the South Shore by winning the SSAL Meet, and finished fourth in Nassau County.

Led by co-captains Dick Tanner and Joe Trapani, the Sailors swamped their opponents in Division 1 and dominated the South Shore competition with strong individual achievements. Tanner was first in the all-around competition and Trapani took third on the side horse, while senior Bob Petrola copped a first place in tumbling. Bob Montano

was a consistent performer on the rings, and Neal Holly was a top competitor in long horse vaulting.

Among the excellent individual efforts throughout the season, Bruce Setloff's performance in the rope climb stood out as the most dramatic. In the County Championships, Setloff broke the listed N. Y. State record while competing against its former holder, posting a time of 3.65 seconds. The following week, at Buffalo, N. Y., Bruce climbed the 20-foot rope in 3.75 seconds to become Oceanside's first New York State Champion in gymnastics.

# Bowling and Riflery Develop Skill and Marksmanship

**BOWLING** — *First Row:* M. Bruzzo, G. Sprague, J. McCumiskey, M. Lohr, C. DeBaun. *Second Row:* L. Kerner (Mgr.), D. Mahler, I. Epstein, J. Warner, Coach Imbro.

The BOWLING TEAM coached by Mr. Imbro displayed great skill by placing fourth in Nassau County. This was quite a surprise, since the squad was generally inexperienced. Such an achievement can be attributed to Mr. Imbro's fine work with the boys. John McCumiskey was the outstanding bowler.

Under the direction of Mr. Fetherston, the RIFLERY TEAM produced some fine shooters. With a comparatively small turnout for the sport, the squad did well against competition. The top scorers for the marksmen were Howie Bresin, Pete Gromet, Bob Dunwoody, and Mike Levitan.

**RIFLERY** — *First Row:* R. Dunwoody, P. Gromet, M. Levitan, H. Bresin (Capt.), F. Stone. *Second Row:* Coach Fetherston, P. Gange, B. Moisuk, H. Bergman, F. McAllister.

VARSITY BASKETBALL — *First Row:* R. Nyberg, G. Happ, J. Share, E. Murphy, J. McNamee, F. Eovino, B. Nolan. *Second Row:* R. Romalewski (Mgr.), T. Sorrentino, G. Henke, B. Schenker, P. Boyle, M. Gruber.

With only two seniors on the 1967 Oceanside BASKETBALL TEAM, Coach Januszewski found it difficult to give his young team the experience necessary to consistently overcome the strong competition it faced. However, he did give his great knowledge of the game to the boys and, through his strategy, the Sailors pulled a major upset by defeating Lawrence, one of the top teams in Nassau County. Under orders from Coach Jan to employ a "slowdown" offense, the cagers effectively kept the ball out of their opponent's possession and came away with an impressive 36-29 victory over Lawrence, who eventually finished in a tie for first

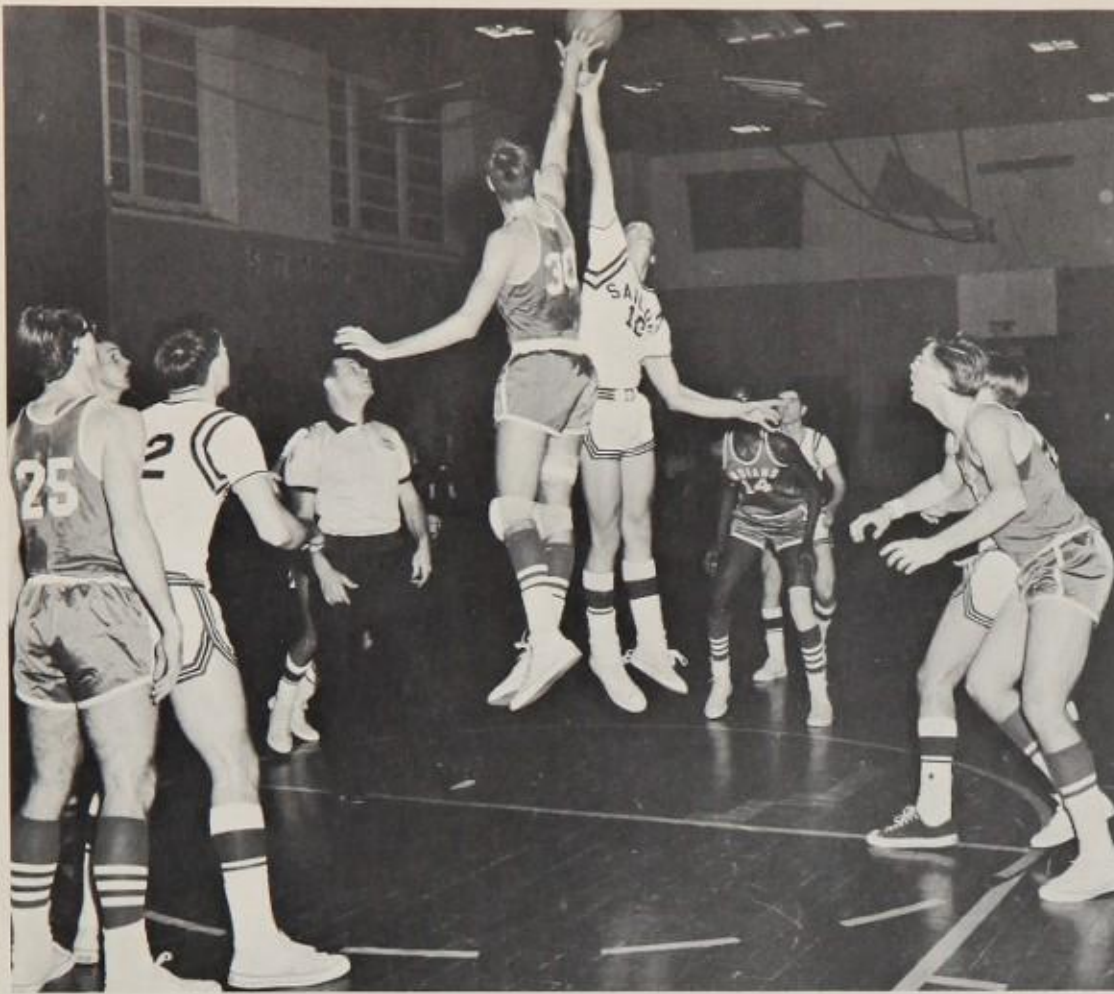

place in its league.

The season in itself, however, was dedicated more towards preparing for the future than fighting for a league title, and the victories which the Sailors did win were a credit to Coach Jan and the desire of his squad. The team was led by: Captain Ed Murphy, the outstanding player; Gary Happ, a junior guard; Jim Share, a senior who gave some impressive performances late in the season; juniors Rich Nyberg, Sportsmanship Award-winner, George Henke, and Frank Eovino; and sophomore Jim McNamee.

# Grapplers Excelled in Post-Season Tournaments

VARSITY WRESTLING — Coach Hay, D. Taubman (Mgr.), D. Lewis, K. Sheehan, T. Morley, J. Brodsky, J. Curreri, K. Kunken, D. Blumenthal, J. Reiman, S. Alexander, B. Fruin, E. Page, J. Sobel, M. Hart, L. Biamon.

The 1967 Oceanside WRESTLING TEAM had a disappointing season against the strong competition in Division I. However, as a tribute to Coach Hay and their own desire, the Sailors came through with a sparkling performance in the post-season SSAL Tournament. With only two wrestlers seeded at all prior to the tournament, Oceanside had three Sailors place and three others stage impressive upsets.

Junior Mike Hart led the Sailors, placing second in the 183-pound class, while seniors Tom Morley and Jon Brodsky

placed fourth at 106 and 115, respectively. Brodsky, unseeded at the tournament's outset, defeated the third-seeded wrestler to gain his place in a great display of determination. Juniors Ed Page at 156 and Al Schwartz at 130 also upset seeded grapplers, and senior Steve Alexander lost to the fourth seed on a referee's decision after the match had ended in a 4-4 tie.

Tom Morley was the outstanding Sailor wrestler during the regular season, finishing undefeated in league competition, while Hart suffered only two losses.

**INDOOR TRACK** — *First Row:* J. Herbst, T. Lowery, J. Ferrara, L. Wolitz, J. Hynes, R. Corrales, T. Kenny (Capt.), P. Molloy (Capt.), G. Willis, S. Laguna, H. Stauber, R. Horowitz, J. 1966-67 was Coach Roy Chernock's farewell INDOOR TRACK season at Oceanside High School, as he will move on to coach track at C. W. Post College next year. With this added incentive, the Sailors coasted to a victory in the South Shore Championship Meet and pulled a dramatic, come-from-behind victory to become Nassau County Champions, led by co-captains Pat Molloy and Tim Kenny.

The season was one of the most productive ever in Oceanside Indoor Track, as the Sailors dominated the running events in all meets on the way to an undefeated season. Captain Molloy set a new school record of 1:16.3 in the 600-yard run, and was a consistent winner until upset at the County Championships, where he placed third. Lew Wolitz came through with an amazing 5.5 second performance in the 50-yard dash, tying a national interscholastic record and establishing himself as County Champion in that event. Senior Gerry Hynes finished second in Nassau County in the 300-yard sprint, and Chris Cornazzani was a steady performer in the hurdles and high jump, as was Nick Pedicino in the shot put. The Sailor 880-yard relay team of Ferrara, Hynes, Lieberman, and Wolitz provided the season's highlight as they sprinted to a first place in the County in the meet's final event, and thus gained the one-point margin by which we won.

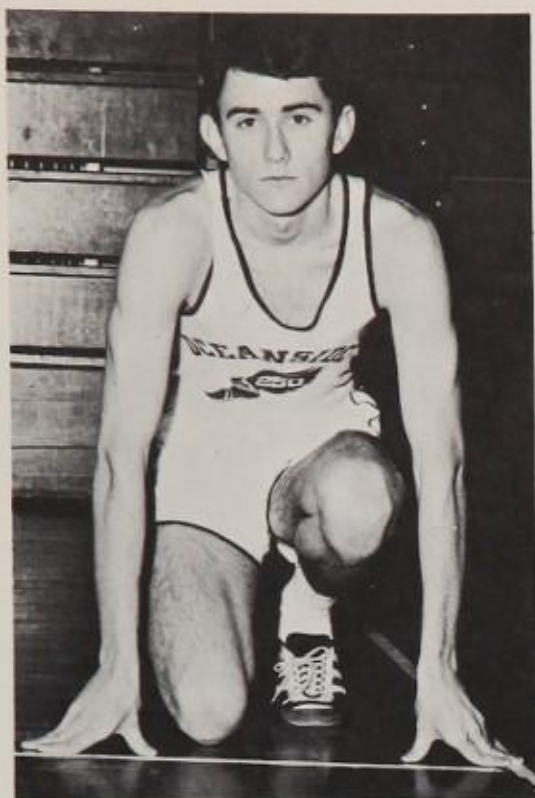

In distance events, the Sailors showed great promise for the future in the surprising showing of our young two-mile relay team and the superlative mile and two-mile running of junior Vinnie Bain, who was the outstanding runner in the County for these two events.

Coach Scerbo has high expectations for the 1967 **BASEBALL TEAM** in their battle for the Division I title. With a team composed mostly of returning lettermen, experience is certainly not lacking.

Pitchers Fred Ricciardi, in his third varsity season, and Bill Horan, are the Sailor's big guns, and junior Rick Sigoda is a bright prospect at pitcher. The infield,

anchored by strong-hitting Hank Kobbe at first base, rates as one of the league's best, and is rounded out by Frank Eovino, Bob Nolan, and Mike Gruber. The outfield is equally strong, with Pete Boyle, Joe D'Ambrosio and Paul Dunetz. Russ Canan and sophomore John Wagner share the catching chores.

# Lacrosse Team Improved Outlook Bright

Bayer, W. Foley, M. Greenberg. *Third Row:* Coach Kessenich, S. Harrington, B. Fruin, D. Dennis, G. Olsen, M. Hart, J. Merryman, F. Wolfert.

Playing in what is possibly the most difficult lacrosse league in the county, Coach Kessenich's 1967 LACROSSE TEAM is out to improve on a disappointing season of last year. The stickmen have a good chance to equal the Sailor record of four wins, as the team has nine returning lettermen.

The Sailors field a team of mostly seniors, with Mike DeLibero, last year's top scorer, leading the attack. Steve Alexander and Jon Brodsky add to the scoring threat, and Tom Dapolito, Jack Lucas, and Norman Brown provide a tough midfield. On defense are Dave Dennis, Steve Stewart, Gus Olsen, and Frank Wolfert is impressive in the goal.

In preseason matches, the Sailors have shown good hustle and aggressive field play, and the outlook is for a fine team performance.

# Sailors Anticipated Successful Spring Season

TRACK — *First Row:* M. Puma, J. Putnam, H. Lieberman, T. Lowery, P. Molloy, D. Tanner, T. Kenny, J. Herbst, S. Laguna, G. Hines, R. Horowitz, L. Wolitz. *Second Row:* R. Sasson, S. Maurer, P. Chernock, L. Weiner, B. Lampel, J. Kalins, E. Chaback, G. Fund, J. Foris, T. Welch, B. Sears, V. Elefante.

As usual, the Sailor TRACK TEAM is rated as one of the best teams in Nassau County. Directing the squad to the 1967 Indoor Track Championship, Coach Roy Chernock, with an unbelievable 100-3 record at Ocean-side, will try to lead the Sailors to the outdoor championship in his farewell track season at Oceanside.

The trackmen are led by co-captains Lew Wolitz, County Indoor Champion at 50 yards, and Chris Cornazzani, the team's top hurdler and high jumper.

In sprint events, the Sailors are packed with talent. The 880-relay team of Hrubala, Lieberman, Hynes, and Wolitz is the County Champion in that event, and Tom

Lowery, Jim Putnam, and Sandy Laguna are performing equally well. At the middle distances, Pat Molloy is a good bet for the Nassau Crown, backed up by Rich Horowitz, Jon Herbst, Howie Stauber, and sophomore Steve Britt. Junior Vinnie Bain is sure to outclass all opponents in the mile and the two-mile.

The Sailors will hold their own in field events, also. Dick Tanner is an outstanding pole vaulter, and weight throwers, Nick Pedicino, Tim Kenny, Jay Brozost, and Lee Wallace are showing amazing progress, while Jim Putnam is a steady performer in the long jump.

GOLF — *First Row:* F. Bacon, D. Kane, M. Lubin, J. Coyle, R. Weidhorn, M. Levine. *Second Row:* B. Jupiter, A. Greenbaum, I. Feinberg, J. Nezelek, J. Cohen, Coach Sullivan.

The 1967 GOLF TEAM coached by Mr. Sullivan, is anticipating a good spring season. Although having suffered the loss of Bill McCumiskey and Ken Maken from last year's very successful squad, Mr. Sullivan expects his six returning veterans to carry the Sailors to victory in the very competitive South Shore I league.

The team is paced by senior Mike Lubin, who has been on the varsity for three years, and is one of Nassau's finest golfers. Dick Kane, Bob Weidhorn, and John Coyle are also good prospects. The other senior members are Marvin Levine, Jeff Cohen, and Al Greenbaum.
